UQGEMS · GEORABBLE

Brisbane Transit Affinity

An interactive map of scheduled public-transport connectivity across the Brisbane City Council area.

Static preview: a selected origin is shaded against areas reachable on the same scheduled trip. The interactive version supports H3 areas and Brisbane's 26 council electorates.

What the map shows

Select an area or council electorate to explore the regions connected by direct scheduled trips and compare approximate service intervals.

Model scope

- Brisbane City Council local government area
- Generic Wednesday timetable
- Direct trips; transfers are not included
- Bus, rail and ferry services weighted equally

Data and map sources
